Summary

Dedicated Software Engineering student with a strong foundation in Laravel and Flutter. Passionate about building impactful web and mobile applications, implementing efficient databases, and leading technical communities. Eager to leverage technical expertise and teamwork skills in a dynamic software engineering role.

Education

B.Sc. in Software Engineering, *Metropolitan University* 01/2023 – 12/2026
• **Status:** 4th Year, 2nd Semester | **CGPA:** 3.97 Sylhet
• **Awards:** Vice Chancellor's & Chairman's Scholarship Recipient for maintaining a perfect 4.00 GPA across consecutive academic semesters.

Skills

Frameworks & Libraries

Laravel, Flutter

Languages

PHP, Dart, Python, Java, C, C++

Tools & Technologies

Git, GitHub, MySQL, RESTful APIs

Core Concepts

Object-Oriented Programming (OOP), Data Structures & Algorithms, Database Management.

Projects

Noor AI (Islamic AI Chatbot), *Python, AI Integration* 12/2025 – 03/2026
• Developing an intelligent chatbot designed to provide authentic Islamic guidance and answer religious queries.
• Integrating natural language processing to ensure accurate context understanding and prompt generation.

Product Recommendation Engine, *PHP, Laravel, MySQL, Git* 10/2025 – 12/2025
• Developed a scalable web application with MVC architecture utilizing the Laravel framework.
• Implemented secure user authentication, database relationship management, and full CRUD functionalities.
• Managed version control and team collaboration efficiently using Git.

SkillPath: Learning Management System (LMS), *PHP, MySQL, Tailwind CSS* 10/2025 – 12/2025
• Developed a scalable LMS with secure portals for students, instructors, and admins, featuring batch management and mass enrollment.
• Designed a responsive UI using Tailwind CSS and optimized MySQL database queries for efficient data handling.

House Rent Management System, *Laravel, MySQL* 05/2026 – 06/2026
Collaborated in a team to build a comprehensive house rental platform featuring dynamic property listings, efficient routing, and tenant management.

Cross-Platform Mobile Application, Flutter, Dart

04/2026

- Built a responsive and interactive mobile application utilizing the Flutter framework.
- Implemented smooth state management and designed user-friendly UI components for cross-device compatibility.

Experience

Publication Secretary, Metropolitan University Islamic Society 10/2025 – Present
Sylhet

- Managed official publications, drafted content, and promoted initiatives to increase community awareness.

Lead Mentor & Trainer, MU Programming Olympiad 2025 – Present
Sylhet

Trained junior mentors and guided school/college students in competitive programming and problem-solving strategies.

Mentor's Trainer, MU Programming Olympiad 2025 – Present
Sylhet

Annual programming contest and workshop for school and college students organized by the Software Engineering Dept, Metropolitan University.

- Conducted sessions to prepare mentors for guiding students in competitive programming.

Leadership Facilitator, Bangladesh Youth Leadership Center (BYLC) 05/2026 – 07/2026
Sylhet

Facilitated leadership training sessions and mentored youth to develop critical thinking, communication, and professional skills.

Co-Curricular Secretary, Software Innovators Forum, Metropolitan University 01/2025 – 02/2026
Sylhet

Organized university-wide tech workshops, seminars, and cultural programs to drive student engagement.

Co-Founder, Roar for Street Child 01/2023 – 12/2023
Sylhet

Co-founded the non-profit organization, organized outreach programs, and raised awareness to support underprivileged street children.

Additional Cultural Secretary, Software Innovators Forum, Metropolitan University 01/2023 – 12/2023
Sylhet

University club focused on cultural and technical events

- Collaborated with cultural and event teams to plan and execute university-wide programs
- Promoted student engagement through creative initiatives and cultural activities

Key Achievements

Vice Chancellor's Scholarship

Current: Awarded for exceptional academic performance, achieving a perfect 4.00 GPA in two consecutive semesters and maintaining outstanding grades across the academic year, reflecting a consistent CGPA of 3.96.

Chairman's Scholarship

Previous: Honored for maintaining a flawless academic record by securing a perfect 4.00 GPA across all semesters throughout a consecutive academic year.
